EDUCATION

Bachelor of Technology (B. Tech)

Pursuing Bachelor of Technology in Computer Science at Annamacharya Institute of Technology and Sciences with a current CGPA of 9.6/10 (Expected Graduation: 2027).

Intermediate (MPC)

Completed Intermediate at Sri Chaitanya Junior College with 98% in 2023.

Secondary School Certificate (SSC)

Completed SSC at Narayana English Medium High School with 100% in 2021.

SKILLS

Programming Languages: C, Java, Basic Python, SQL

Web Technologies: HTML, CSS, JavaScript, Node.js, My SQL.

Core Concepts: Object-Oriented Programming (OOP), Data Structures, Collections Framework.

Machine Learning: Basic knowledge of Machine Learning concepts and WEKA fundamentals.

Tools & Platforms: Git, GitHub, VS Code, Eclipse.

Soft Skills: Quick learner, Adaptability, Problem-solving, Team collaboration, Verbal communication, Ability to work under pressure.

PROJECTS

Portfolio Website

Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, and certifications.

Implemented interactive features such as smooth scrolling navigation and resume download functionality.

Simon Game

Built an interactive Simon Game using **HTML**, **CSS**, and **JavaScript** with dynamic gameplay features.

Implemented game logic and user interaction using JavaScript event handling and DOM manipulation.

Library Management System

Developed a full-stack Library Management System using **Node.js**, **Express.js**, and **MySQL**.

Implemented CRUD operations and database integration for efficient book and user management.

Number Guessing Game

Developed a console-based number guessing game using Java and random number generation.

Implemented attempts tracking and input validation for interactive gameplay.

Expense Tracker

Built a console-based expense tracker application using Java for managing daily expenses.
Implemented features for **recording expenses** and calculating **total expenditure** using OOP concepts.

CERTIFICATIONS

Completed Certification in DevOps from JobPrep.
Obtained a Certification in Cloud Computing from JobPrep.
Earned a certification in Business Modelling and Financial Planning from Wadhwani Foundation

ACHIVEMENTS & ACTIVITIES

Actively participated in multiple offline and online technical events and hackathons
Participated in CODEZEN-2K25 coding competition.
Took part in cultural activities and extracurricular events.
Organised Community Service Project on “Importance of Reading Books”.

HOBBIES / INTERESTS

Enjoys playing Indoor & Outdoor Games.
Reading fictional and self-development books.
Exploring new technologies and skill building activities.
